>> WHY - THE NEED <<

>> WHAT - OUR MISSION <<

Esteem Designz Program is a **MENTAL HEALTH** resource designed to champion girls (pre-teens to young adults) to know & be content & confident in their REAL identity & value, and see & encourage the value of others. Girls are equipped with key skills & tools to endure & thrive through life's challenges - all through **CREATIVITY & God's WORD**.

OUR PASSION - Helping girls not feel the need to hustle for their approval and acceptance, but claim their intrinsic worth and be unashamedly authentic and REAL, not molded into other's expectations, but FREE... Free to confidently be all that God has called and created them to be.

"Every girl needs Esteem Designz and the endless benefits it provides"

75% OF GIRLS SUFFERING from **LOW SELF-ESTEEM** are engaging in self-destructive behaviours, depression & even suicide
WE HAVE TO BREAK THIS CYCLE

SOME OF THE ISSUES

ESTEEM DESIGNZ COMBATS:

- Low self-esteem + loss of identity - the root of all problematic behaviours
- Constant comparison and competition
- Deceiving messages of perfectionism through the media - I'm not enough!
- Peer pressure and relationships
- Unrealistic expectations
- Disengagement, opposition, apathy, self-destructive behaviours

70% OF GIRLS BELIEVE THEY ARE NOT GOOD ENOUGH OR DON'T MEASURE UP; and over 70% (15-17yo) avoid normal daily activities, such as attending school, when they feel bad about their looks/self.
